FAMILY PROMISE OF MORRIS COUNTY, INC.
DECEMBER 31, 2020

Family Promise of Morris County, Inc. (here-after referred to as the “Organization”) is a non-sectarian, not-for-profit organization dedicated to ending the crisis of homelessness faced by Morris County families and individuals by partnering with public and private agencies, religious congregations and community volunteers to provide a continuum of services including shelter, case management, and mentoring services leading to self-sufficiency.

The Organization provides an array of programs and services to address the needs of Morris County’s homeless population by providing Prevention, Diversion, Shelter, Housing, and Outreach Programs. The organization also provides rental assistance, through various government grants, to house families/individuals in permanent housing in the community. **In the face of the many challenges from COVID-19 in 2020, the Organization served 733 clients in its Shelter, Housing, and Outreach Programs and moved 32 households into permanent housing.**

The Organization is a member of Family Promise National, not an affiliate, *and is its own separate 501 (c) (3) entity.*

The COVID-19 pandemic had a major impact on the provision of services in all our programs. The organization is proud to say that throughout the crisis it has been able to maintain services to all its clients in its Shelter, Housing, and Outreach Programs – *just differently*. The staff and interns of the organization continued to accomplish so much including securing permanent housing for many families while adhering to strict health and safety protocols and working primarily remotely.

The Organization provides an Emergency Shelter Program (ES) that mobilizes community resources to provide the most cost-effective services. By partnering with approximately 80 congregations and 1,600 volunteers throughout Morris County, this program is extremely cost effective with most donations being dedicated to programming. This program provides shelter, food, crisis intervention and case management for homeless families and single women. The Day Center allows clients to have an address, meet with social workers and work towards their goals. The focus is on health and wellness, education and employment, and accessing resources. The main goal is to keep families together, meet emergency needs and transition them from poverty to long term housing and self-sufficiency. In March 2020, the Organization was forced to quickly refocus the program's rotational model to maintain the health and safety of its clients, staff, and volunteers. It rapidly transitioned the families in the program to motel placements. It is excited to report that each of those families were successfully and permanently housed with available housing vouchers. As the timing and effects of the pandemic remained elusive, the program was suspended for the remainder of 2020 and shifted to motel placements in 2021. It is working with its congregation partners to continue to support the clients placed in a local motel with volunteer support, in-kind donations, and food/hygiene items delivery. In 2020, the ES program provided 1,787 nights of shelter to 8 families, totaling 24 individuals. **There was a 100% success rate, moving families out of shelter successfully into permanent housing.**

The Organization provides Housing Programs that have a goal of supporting families and individuals in securing and maintaining permanent housing and access to benefits. Those programs include the **Community Support Program, Abigail House, and Keys to Housing Program**. Throughout the COVID-19 situation, the Organization has continued to provide essential services to its clients. It shifted case management sessions from in-person to virtual, utilized contactless methods to provide critical supplies including food, instituted strict safety protocols for everyone's safety, and used technology whenever possible for required documents and signatures. It was able to safely continue to permanently house clients working with professional movers and our Making Moves Matter Volunteer Team. It was even able to safely deliver Easter baskets and holiday gifts to all its families to help keep some normalcy during a very difficult time.

- The **Community Support Program (CSP)** provides critical support to clients after they have moved out of shelter and into permanent housing. This program also provides diversion, prevention and outreach to families and individuals leaving other shelters in Morris County, and to those in need in the community. The primary goal of this program is homelessness prevention by ensuring long-term housing stability through rental assistance, resources, services, and support they need to secure and maintain a permanent place in the community. In 2020, the CS program provided 63 households, totaling 130 individuals, with case management services. **100% of program households successfully maintained their housing during the year.**
- **Abigail House (AH)**, a 5-unit transitional housing program, provides housing, case-management and programs and services geared towards those impacted by domestic violence. Now in its 9th year, AH consists of 5 fully furnished units that families/individuals can live in for up to 2 years to further support their transition to self-sufficiency, and 1 permanent housing unit.
- The **Keys to Housing Program** consists of up to 40 housing vouchers from various local, regional and federal partnerships. Our Landlord/Tenant component provides financial incentives to landlords and education to our prospective tenants. The vouchers are targeted toward helping chronically homeless individuals and families secure permanent housing. Our Housing Resource Specialist and Landlord Liaison help clients locate and navigate housing options and serve as a liaison with landlords and the community. By providing incentives such as pre/post move-in painting, minor repairs, short-term case management to other tenants that the landlord has identified, and training for clients on how to be a good tenant/neighbor, the success rate in obtaining housing with low fair market rent vouchers has been increased significantly. It also includes the **Tenant-Based Rental Assistance Program**, which is a partnership with local agencies that offers housing vouchers and case management services to client families.

The Organization provides Outreach Programs that have a goal of increasing access to community services and resources and homelessness prevention and diversion. Those programs include the **Our Promise Drop-in Center, Single Stop Program, Navigating Hope Program, and Hope One Program**. Due to the health crisis, the Organization suspended all indoor services

in early March at the Our Promise Drop-in Center. To maintain critical services to our guests, it maintained the distribution of mail and essential supplies on Tuesday and Thursday afternoons from 1pm to 3pm, and guests have been able to reach staff via phone during our regularly scheduled hours of 1pm to 5pm, Monday to Friday. In late November 2020, after securing additional essential equipment and supplies, it allowed for limited scheduled in-door appointments for essential needs. These appointments were done with the strictest protocols in place and low occupancy limits.

Due to health and safety protocols, Navigating Hope van trips were suspended by the county for approximately 3 months in 2020. Throughout the crisis, the Organization maintained the case management portion of the Navigating Hope Program. In accordance with its internal reopening plan, it began participating in van trips in Fall 2020.

- The drop-in center, known as **Our Promise**, opened fully in July 2015. Our Promise serves chronically homeless individuals and those who are precariously housed by providing both concrete and clinical services. Concrete services include the following: a warming and cooling center, an address for mail, restrooms, phone charging stations, computers, basic hygiene, clothing and other items. Clinical services include case management by Licensed Social Workers and other staff, substance use education, and mental health crisis intervention. Since opening, we have had over **20,000 face-to-face contacts with over 1,000 individuals**.
- The **Single-Stop Program (SS)** focuses on building partnerships with fellow community service providers to increase the earned and unearned incomes of individuals and families. Single Stop utilizes a web-based technology that screens for benefits eligibility of four main benefits: SNAP (food stamps), WIC (nutritional assistance for pregnant women, infants, and children under five), health care, and tax credits. From there, a benefits enroller helps eligible individuals apply for these benefits, and others like GA and TANF (cash assistance), with other referrals and follow-up as needed. Since July 2018, over **\$820,000 worth of benefits assistance has been awarded to program consumers** – accessing households who were not previously connected with services or service providers.
- The **Navigating Hope Program (NH)** is a partnership between Family Promise and Morris County Human Services that utilizes an outreach van to provide case management and a variety of services, including Single Stop screenings, for low-income and homeless individuals in the community. The van targets hard-to-reach communities and populations and is intended to fill traditional gaps in community service provision. Navigating Hope outreach is also a tremendous asset during Code Blue emergencies (extreme weather events and extreme cold conditions), focuses on prevention and diversion from a homelessness crisis, and accesses some of Morris County's most vulnerable community members with direct support. In 2020, the van made 98 trips in the community with 2,529 face-to-face contacts and providing case management services to 30 households.
- The **Hope One** (Morris County Sheriff's Community Services Unit) operates in tandem with Navigating Hope. It provides mobile mental health and addiction services across Morris County. Family Promise serves on the Hope One Advisory Board and is also a

partner agency. Family Promise is currently working with the Sheriff's office and other partners on a new initiative called The Hope Hub, which is modeled off an existing program in Chelsea, MA and involves a weekly meeting between key providers and law enforcement to collaborate on interventions for community members with "acutely elevated risk" (i.e. frequent hospitalizations, warrants, child in D.C.P.&P. care, substance abuse, and not connected to services). Since its founding, Hope One has made 510 stops in the community, had nearly 16,000 face-to-face contacts, conducted Narcan trainings for nearly 3,000 individuals, and connected hundreds of individuals to recovery, rehabilitation, family support, and mental health services.

The Organization also provides other programs:

- The **Holiday Program** provides assistance to clients for all holidays and birthdays through gifts and donations. In 2020, this program served 80 families, totaling 325 individuals.
- The **Community Education Program** is designed to educate the community about homelessness and the societal issues facing homeless families.

The organization usually holds an Annual Dinner entitled "An Evening of Promise: Honoring Volunteers and Community Service." This is a Volunteer Recognition event, honoring our over 1,600 volunteers and community partners. Historically, volunteers have contributed over \$700,000 in in-kind support across programs. While mainly a volunteer recognition event, it raises a small amount of funds directed to a specific key program each year. Due to the pandemic, this annual event was cancelled in 2020.

The Organization looks forward to wide availability and distribution of the COVID-19 vaccine that will allow it to resume all our Shelter, Housing, and Outreach Programs to their pre-pandemic service level and allow it to continue to help its community heal from the devastating economic and health effects.

Promising Solutions is a new housing program that was officially launched in late 2020. It is a collaboration with the County of Morris and various community partners. It is a community-based women's campus that houses and supports women experiencing homelessness, poverty, and trauma. The campus contains nine residential homes with the capacity to house 32 residents, administrative offices, and recreation spaces - all set within a large block of greenspace. This transformative program provides permanent supportive housing, including a therapeutic and stigma-free campus environment grounded in wellness and recovery principles. The project is especially unique in its collaborative approach, with agencies from across the county and utilizing Morris Habitat for Humanity for cost-effective facility renovations.

In response to the COVID-19 pandemic, the Organization was awarded ESG-CV funds by the County of Morris to launch new programming in 2021 to address the devastating economic effects of the pandemic on our community. The new programming will include three components: Motel Sheltering, Rapid Rehousing, and Street Outreach. It also includes funding for the new Promising Solutions Program.

As a social service agency, we are fully committed to promoting racial justice and equity in our community and in the delivery of critical services to those in need. We are also committed to

adding to the diversity of our staff to better reflect the clients we serve and ensuring that all people feel welcome, are treated fairly and respectfully, have equal access to opportunities and resources, and can contribute fully to our success. In late 2020 and 2021, the agency is in the process of completing an extensive diversity audit that includes interviews with all staff members and key board members by an outside consultant. The audit will assess our diversity preparedness and application of diversity management.
